Our Goals for Educational Excellence in Livingston County

Livingston ESA has set 9 key goals to be achieved by the end of the 2020 school year.

Communicate our strategic plan and goals

**Goal 1:** All staff and key community members will understand our strategic plan, goals, and their role in helping to achieve them.

Implement our communications plan and develop strong partnerships

**Goal 2:** Fully implement our board-approved comprehensive communications plan.

**Goal 3:** Present a report to the Board of Education on our partnership programs.

Close student achievement gaps and reduce inequities

**Goal 4:** Create a cohort based Livingston County proficiency and student growth report for the Board of Education to contemplate future goals.

**Goal 5:** Develop an action plan for each district to narrow the achievement gap and improve student opportunities to learn.

**Goal 6:** The “Essential Practices in Early and Elementary Literacy” program will be familiar and used by each pre-kindergarten – grade 3 teacher in Livingston County.

Improve student performance through social-emotional learning

**Goal 7:** Provide five new strategies for all Livingston County students to minimize the effect of social, emotional, and behavior problems on their ability to succeed in school.

Expand career and college programs

**Goal 8:** Implement 10 new learning opportunities for students to earn valuable industry and college credentials on their way to a successful career.

Promote a collaborative work environment

**Goal 9:** Livingston ESA leaders will ensure an environment of trust and cooperation where new ideas and collaboration are encouraged, and staff feel supported by those around them.

Achieving these goals takes a team effort, and you play an important part. You may be asked to gather information, attend meetings, serve on a committee, voice your opinion, identify areas of improvement in our procedures, adopt new practices and procedures, and more.

If you have questions or suggestions, please contact Livingston Educational Service Agency Superintendent, R. Michael Hubert, Ed.D. at 517.540.6801.
