Section 1. Introduction

Welcome to the 2021-2022 school year. You are an important part of the success of every child who enrolls in our programs! The Early Childhood Department (Division 1,2 and 3) is a part of the Curriculum and Instruction Department at the Livingston Educational Service Agency. This Handbook also includes Family Service Coordinators (Division 4) which is part of Early On and the Special Education Department.

The Curriculum and Instruction Department has two major areas of focus, early learning (birth to middle school entrance) and secondary learning (middle school entry to high school completion). The Early Childhood Department provides the structural foundation for many of the initiatives in this relatively new Curriculum and Instruction area. As a county, the five local districts and the Livingston ESA have three agreed upon areas of focus:

- Literacy
- Leadership Development
- Social Emotional Learning (SEL)
-

Appendix C and Appendix D show the organizational chart for the Curriculum and Instruction department and how you are a part of the overall initiatives in this area. This structure will allow us to build bridges and create a robust birth to 8-year-old space that honors your contributions in the early years. The Livingston Educational Service Agency has always made early childhood education a top priority and highly values the work that each and every one of you engage in on a daily basis.

This handbook establishes the wages, benefits, and working conditions as well as operating procedures for staff in Early Childhood. It is not an individual employment agreement and does not cover every aspect of an employee's responsibility; however, each employee is expected to follow the all laws, regulations/rules and policies/procedures applicable to the operation of the Agency.

Any questions about employment expectations or responsibilities should be discussed with an employee's supervisor, the Director of GSRP/Head Start or the human resources department. Any matter or concern that involves harassment, bullying, discrimination, or the like should be immediately reported to Stephanie Weese at 517-540-6810 or Doug Haseley at 517-540-6803.
