Livingston CTE Core performance Indicators: Region 17

REGION / CPI	1S1	2S1	2S2	2S3	3S1	4S1	5S1
	Grad	Reading	Math	Science	Place	Non-trad	Cred
Required Level of Performance	95	58	34	NA	80	19.25	5.5
State Actual Performance	95.83	NA	NA	NA	93.44	26.59	3
Region results (17)	97.22	NA	NA	NA	96.6	21.35	3.06

Definitions:

- 1S1: The percentage of concentrators who successfully completed high school.
- 2S1: The percentage of concentrators who are identified as "proficient" in ELA as defined by MDE state tests.
- 2S2: The percentage of concentrators who are identified as "proficient" in Math as defined by MDE state tests.
- 2S23: The percentage of concentrators who are identified as "proficient" in Science as defined by MDE state tests.
- 3S1: The percentage of concentrators who either enrolled in post secondary education, worked full time, or joined the military (found successful placement)
- 4S1: The percentage of non-traditional enrollees in their CTE program
- 5S1: The percentage of CTE enrollees who earned a state approved credential

CTE data may be impacted due to Covid and when and if the exiting students completed state testing. Data above references 22-21 school year with student SAT scores from 20-21 school year.
